

How to create an account in EdTA's Community Hub

Step 1: Click on this [link](#).

Step 2: Click on **Don't have an account** link.

If this is your first time logging in, please click the *Forgot Your Password?* link at the bottom of this page to reset your password.

NOTE TO STUDENTS: Please try your official school email address first as that is likely what your teacher used to create your account. If that doesn't work, then try your personal email address. If you are an inducted Thespian do not create a new account.

If you've never created an account with us, please click the *Don't Have an Account?* link below.

We encourage you to take this opportunity to ensure your contact and demographic details are accurate and complete.
